1.1.1. Institution has a regular in house practice of planning and/or reviewing, revising curriculum and adapting it to local context /situation.

Response: Curriculum of the course is broadly designed by NCTE and on basis of guidelines of NCTE, syllabus is prescribed by Sant Gadge Baba Amravati University, Amravati. College has limited role in planning or revising the curriculum. However, during meetings of various committees, suggestions are made to University authorities in this regard. Within the limits prescribed by the syllabus, we plan teaching to adapt to the local contacts considering the needs of students who come from various States.

College has entered into MOU with various sports associations in Yavatmal to ensure that students get exposure to various sports and participate in tournaments and matches and to get expertise in sport of their choice. This also exposes the students to various local sports bodies and improves their inter-personal skills.

College makes special efforts in developing Indian sports like mallakhamb, Yoga, Khoko and Kabaddi. College has MOU with various sports Associations in Yavatmal, to enable the students to develop expertise in these Indian sports.
